### Well-balanced and easily digestible all-round muesli in premium quality

#### Ideally suited:

- ✓ *For all breeds, performance directions and housing conditions*

This tasty all-round muesli has a high amount (50%) of hydrothermally treated barley- and maize flakes which are produced in food-quality. Vitalmix Classic is additionally enriched with carefully dried grass from regional fields and also well-tried feed containing pectin to ensure an optimal fibre amount to take the horse's sensitive digestive system into account.

The well-balanced supply of all vital minerals, vitamins and trace elements makes a wide-variety of feeding options possible and can be fed to leisure- and sport horses and additionally is very suitable for stables with a large amount of horses. Vitalmix Classic can be fed as a sole concentrate feed or in addition to grains.

#### **Feeding recommendations:**

Large horses: up to 3kg per day

Small horses and ponys: up to 2kg per day

From the amount of about 2,5 kg Vitalmix Classic a day the daily demand for minerals and vitamins is covered.

When feeding less we recommend adding mineral feed to the ration. It can also be fed in combination with grains.
